# 8" Duct Spacers

8"x 2" & 8"x 3"

Cal Am Manufacturing's Hi-Impact Utility Duct Spacers have been the choice for contractors for nearly three decades; utilizing a proven two-piece design specifically engineered to support duct arrays within trenching prior to encasement, these sturdy, versatile and light-weight spacers will not shift under the weight of your workmen and stay firmly in place during fill.

- Resistant to Extreme Temperature Fluctuations
- Constructed of High Impact Polymers
- Snap-Loc Design for Fast Field Assembly
- Virtually Indestructible Proven Design
- No Banding Required

## 8"x 2" Duct Spacers

# 8" Wedge Seals™

# 3-WAY & 4-WAY

Cal Am Wedge Seals provide a quick and easy-to-use system to protect and organize ducts and cables for fiber optic, telecommunications and electrical applications.

- Rain-proof protection
- Easy to install
- Secure installation
- Prevents dirt, dust and animal intrusion
- Corrosion proof, recyclable materials
- Protects and organizes
- Long term use
- Eliminate duct-edge abrasion to cables

## Wedge Seal™ 3-WAY

Ordering Information:

Size: 8" SCH. 40 Conduit

Catalog no. [7380-XXXX](#)

Units: 1 each

## Wedge Seal™ 4-WAY

Ordering Information:

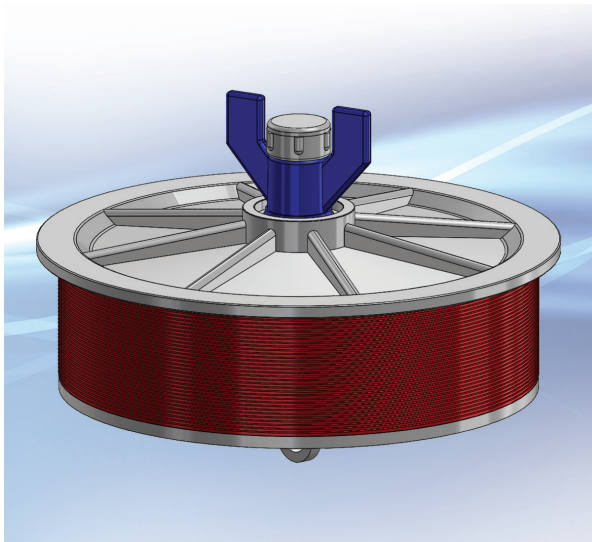

Size: 8" SCH. 40 Conduit

Catalog no. [7480-XXXX](#)

Units: 1 each

# 8" Mechanical Plugs

The original Kwikie brand mechanical plug is one of Cal Am Manufacturing's most popular products. Trusted by contractors world-wide to secure their conduit systems from the costly and often damaging incursion of water sedimentation and nesting animals, these high quality plugs are manufactured from a trio of hi-impact chemically inert resins that will also confine volatile and hazardous vapors to their source.

## 8" Kwikie™ Mechanical Plug Wing Nut

### Ordering Information:

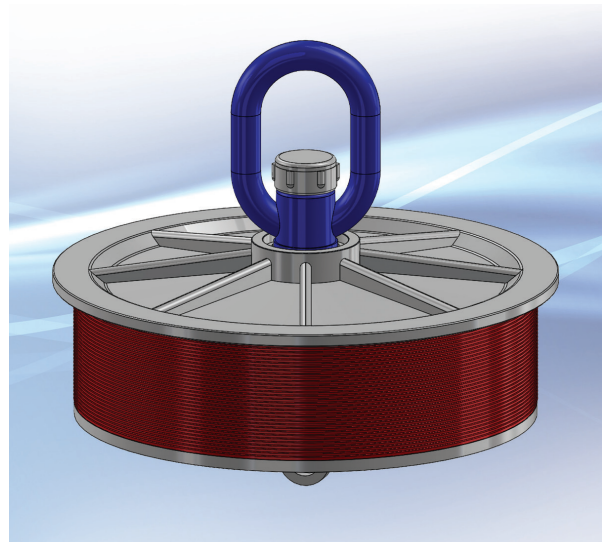

Size: 8"

Catalog no. [5120-80](#)

Units Per Case: 12

# Wing Nut & Loop Nut
